15) ANY OTHER MATTERS FOR DISCUSSION ONLY

The roads in the village, particularly Mill Lane, have been subjected to a considerable amount of fly-tipping. As reported on the National News broadcasts it is a very common problem up and down the country, and the government is introducing new initiatives gradually (see 'Snippets' reports). Unfortunately, much of the dumped rubbish has attracted Arsonists and much has been set on fire, including one of the caravans on the old Bowmans Recycling site – in addition to the lorry on this site some months ago. The Parish Council does report the dumps and ELDC do try and collect much of it.

As there was no other business the meeting closed at 8.25p.m.
